

SEED SWAP DAY

Saturday, January 27
10:00am - 1:00pm

@ Henrietta Hankin Library, Chester Springs, PA

All budding gardeners and experienced growers are invited to join friends from the West Vincent Sustainability Committee and East Nantmeal EAC for our local seed swap and giveaway. It's where gardeners of all ages and experiences can come together and share the seeds from their best plants.

All are welcome. Bring seeds, take seeds, catalogs, share stories & build community. We'll share a discussion on the art & science of seed saving and sustainability locally.

Admission is Free & Refreshments are provided.
